Halifax, Nova Scotia

Welcome to Halifax

Halifax, Nova Scotia is the largest city on Canada's Atlantic coast. Each year, about 50,000 college and university students attend Halifax's 10 post-secondary institutions (5 universities and 5 colleges). In fact, Halifax is known as Canada's "education city". Famous for its nightlife, live music, festivals and cuisine, Halifax is an action-packed urban location that is also safe and welcoming for international students. Unlike most other cities in Canada, Halifax is almost 97% English-speaking and ECLC is able to offer English host families so that students can have a complete immersion experience. A lower cost of living than other major cities is another reason international students choose Halifax as their study destination. The natural beauty of this historic city and ECLC's location in the heart of the downtown core ensure that students can enjoy the best that Halifax has to offer in their free time. Whether students need short language study or hope to get their university or college education and stay in Canada, Halifax is ready to be their new home. Welcome!

FORMERLY EC SL

ECLC (formerly EC SL) is the multi-year award winner for Best Language School in Halifax. With more university & college pathways than any other local English school and high success rates for our graduates, ECLC is the perfect choice for studying in Canada. Students who go on to study at one of our Pathway Partners qualify for a Canadian work permit after they graduate from a Canadian college or university.

For twenty years, ECLC has offered students a warm, friendly school where high academic standards are adhered to. Our downtown campus is bright and welcoming—our students love the warm atmosphere and enjoy relaxing and studying in our spacious student lounge.

Programs

University and College Pathway (UCP) with Bridging Level

For students who plan to attend one of ECLC's partner colleges or universities for vocational, undergraduate, and some post-graduate programs.

The UCP program is intensive and is designed as solid preparation for academic success. Students can start UCP in Level 200 allowing them plenty of time to master the skills they need for academic study. ECLC's UCP Level 400 is a college bridging level and UCP 500 is a bridging level to undergraduate and some graduate programs. UCP 600 is a special Masters bridging level for certain programs. Students who successfully complete these programs gain direct entry to partner colleges and university with no IELTS or TOEFL scores required. All of our partners provide conditional letters of acceptance to both ECLC and the institution.

English for Communication (EC)

Our General English program, for students who want to achieve fluency in speaking and listening skills.

IELTS Preparation (IP)

For students who wish to improve their English and study for an IELTS exam.

Masters Preparation (MP)

For students who wish to gain university preparation experience while studying to achieve a specific IELTS score for university Masters programs.

Teaching English to Speakers of Other Languages (TESOL)

For those who wish to achieve a TESL Canada recognized credential for teaching English to adults. (IELTS 7.0 required)

General Class Information

- Full time programs are 25 classroom hours per week
- Most programs have weekly start dates
- UCP has 5 terms per calendar year
- 8-10 students in a class

Business English for the Workplace (BEW)

For students who need professional English skills for their personal or professional life.

Intensive IELTS (II)

For high-level students who wish to focus solely on study for an IELTS exam at East Coast School of Languages.

Teaching English to Young Learners (TEYL)

For international students who wish to achieve a certificate for teaching children overseas. Optional public school placement.
