SPC way of teaching

We understand how daunting it can be leaving your home and moving overseas to an English Only environment. Therefore, we will support every aspect of your stay.

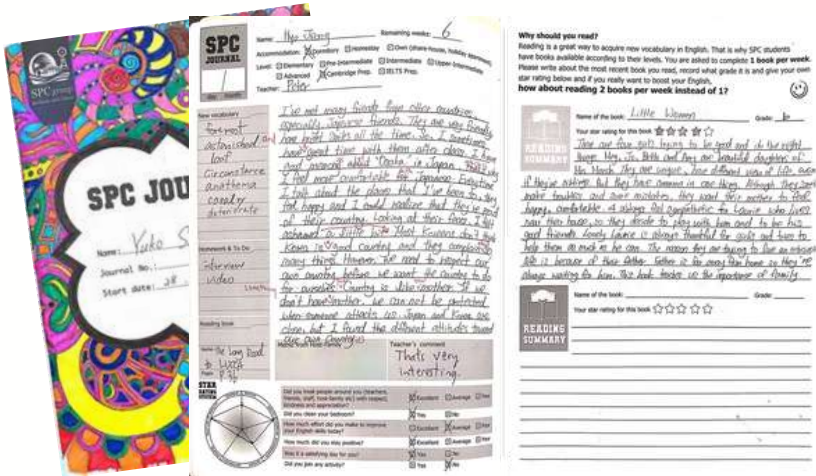

Extracurricular Reading Materials - (Graded Readers) - Compulsory

Reading is a great strategy to acquire new vocabulary in English, so SPC students have books according to their levels and are required to complete a book per week.

SPC Journal - Compulsory

In order to monitor students' motivation and raise self-awareness, we require that students complete one journal entry at each day!

What students say about SPC Journal

"SPC students need to write journal entries every day and teachers will read. We can write about our thoughts and stories, anything we like and I always write about what was going on my mind, so teachers always knew how I felt and even when I am sad, they cheered me up and took extra care of me."
