## WELCOME TO SPEAK UP LONDON'S YOUNG LEARNER PROGRAMMES

We are very happy to welcome you to our summer centre. Our friendly and experienced staff will ensure the best experience possible for our learners. We offer a wide variety of courses which cover a range of interests. The multinational mix of students will give you the opportunity to learn about other cultures and make life-long friends with people from across the globe.

Our programmes are designed to develop more than just your English language skills and will help you improve your critical thinking, leadership and presentation skills, as well speaking in public and debating, **with most of our lessons being delivered as activity based!**

Alongside this we have an exciting activities programme in the afternoon.

Our centre is on Oxford Street in the City of Westminster in the West End of London. One of the top tourist destinations in London.

We look forward to welcoming you to our summer programme.

### LEARNING OUTCOMES:

#### Students will:

- ✓ Improve their communication skills and increase their vocabulary.
- ✓ Improve their grammar, reading, writing and listening skills.
- ✓ Learn about British culture and customs.
- ✓ Take part in a fun social activities programme.

The Speak Up London Young Learner course is for students who want to improve their level of English, learn about life in Britain and enjoy their free time visiting places of interest and taking part in fun activities.

It will help learners to study in a British way, in an English-speaking environment, with students from all over the world.

The exciting social activities programme will give students the opportunity to explore what London has to offer.

We run a one or two week programme at Speak Up London which gives students the opportunity to work on:

- ✓ Critical thinking skills.
- ✓ Leadership.
- ✓ Collaborative projects.
- ✓ Debating and public speaking.
- ✓ Presentation skills.
- ✓ Social responsibility.
- ✓ Global issues and positive solutions.

Students work in small groups on their chosen project and produce a viable business plan which they present to their classmates and a panel of judges.

The lessons are a combination of activity based learning and workshops.
