#### **Our Teachers**

Having a recognised diploma-level qualification in teaching English to speakers of other languages is a requirement for our year-round teachers. In addition to this, they will also have extensive teaching experience in a variety of professional areas. It is a minimum requirement that teachers have a recognised English language teaching qualification i.e Cambridge CELTA, Trinity College TESOL Certificate or equivalent. Teachers are also expected to have a degree level qualification.

Within our established long-term team, a number of teachers have Masters level qualifications, others have qualified teacher status (QTS) and some have specialist subject qualifications. Many of these teachers have positions of responsibility according to their areas of expertise.

#### **Our Mission**

Excellence in English language teaching, training and testing – putting the student first.

## General English Programme

Our Intensive courses have been developed over many years of teaching experience. Innovative and communicative teaching methods are used and form the basis of our teaching. Our General English Programme offers a choice of courses for everyone who needs an improved level of English for academic, social or professional reasons.

#### Your choice of courses

When you enrol, you can select the number of lessons per week which suits you best, and the course duration which meets your needs. You can be sure that, whether you are a complete beginner, or whether you already have a good understanding of the language, there will be a class suitable for you.

#### Your class

You will study in a lively international atmosphere with others whose levels of English are similar to your own. You will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English is the only language you will use!

- presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills

If you follow a course of 25 lessons per week, you will have the additional benefit of language extension activities. If you follow a course of 30 lessons per week, you will have the benefit of language extension activities and the English for Success Programme.

Outside your scheduled timetable, you will be able to use the multi-media learning centre and private study facilities.

# Examination Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations, which are widely accepted in academic and commercial circles throughout the world. We provide courses in preparation for highly regarded examinations such as the International English Language Testing System (IELTS) and the University of Cambridge First Certificate (FCE).

Courses are designed to develop the necessary skills relevant to the particular examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

#### **IELTS Intensive Preparation Course**

Recognised worldwide, IELTS assesses the language ability of candidates who need to study or work where English is the language of communication. Our comprehensive course is intended for those who wish to benefit from intensive preparation for the IELTS test, which includes listening, speaking, reading and writing components. This full-time course provides 30 lessons per week, allowing participants the opportunity to maximise their development in each of the four language skills.

The First Certificate in English, an established Cambridge English Language Assessment examination, is for people who need to use everyday spoken and written English for work and study purposes. Our 30 lesson per week course focuses on all five parts of the exam, covering techniques such as how to approach typical tasks, with special guidance on writing.

#### **Examination Practice plus Intensive Courses**

These courses aim to raise your level of general English by providing 25 lessons per week of intensive English language study, combined with 5 lessons per week of practice for the examination of your choice: IELTS, TOEFL or CAE. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

- Examination preparation and practice for IELTS, FCE, CAE, TOEFL and OET
  - Individual Tutorials with the teacher and the Course Coordinator
    - Free access to the multi-media learning centre

# OET Preparation Programme

Recognised worldwide, the Occupational English Test (OET) assesses the language ability of healthcare professionals in order to help them prove they have the right level of English for work or study. It is also used to help healthcare organisations and regulators select healthcare professionals with the right level of English proficiency to deliver safe and high quality care in an English-speaking environment. OET is an alternative examination to IELTS with medical specific content.

We offer the following course to prepare medical and nursing candidates:

#### Occupational English Test (OET) Intensive Preparation Course

The intensive preparation course is designed to help trainees focus on the four language skills, listening, reading, writing and speaking, to help develop the level of proficiency required to successfully take the test. This 30 lesson per week course allows time to focus on improving overall language proficiency as well as the specific exam techniques required for the different tasks in the test.

All teachers have completed the OET Teaching Preparation Programme.

#### **OET Test Centre**

# IELTS Preparation Vacation Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations. The IELTS Preparation Vacation Course will prepare students for the highly regarded International English Language Testing System (IELTS) examination.

The course is designed to develop the necessary skills relevant to the particular to the IELTS examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

## **IELTS Preparation Courses**

Recognised worldwide, IELTS assesses the language ability of candidates who need to study or work where English is the language of communication. Our IELTS Preparation Vacation Courses are intended for those who wish to benefit from preparation for the IELTS test, which includes listening, speaking, reading and writing components.

The courses aim to raise the students level of general English by providing 20 or 25 lessons per week of intensive English language study, combined with 5 lessons per week of practice for the IELTS examination. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

## Homework

Homework forms an integral part of the course.

## **Excursions, Sports and Leisure Activities**

A variety of excursions, sports and leisure activities are a key part of this programme. The excursions and activities are carefully chosen to support continuous language development and to encourage students to practise their English skills outside of the classroom with other international students.

## Notes

If you plan to take an examination, we recommend that you register for the examination in advance. Please check the website for examination closing dates: www.anglocontinental.com/

B If you would like an indication of your English language level, you can take an online test. This will be used as a guide and final acceptance is subject to our examination pre-test or our entry test held at the school.

If you have not yet reached the required level, you can first enrol for a period of preparation on the General English Course. See pages 8 - 10.

## General information continued

## **Accommodation during school holidays**

If you are attending a course which continues after the school holiday, 24 December 2022 to 2 January 2023, homestay accommodation will be upgraded to full board during the holiday, at a supplement of  $\mathfrak L$  63 per week. This will be automatically reserved and invoiced. If you do not require this accommodation, you must inform us at least 4 weeks before the holiday period and we will arrange a full refund.

## **UK visa requirements**

If you are unsure whether you will need a visa to study in the UK, visit the Home Office website at: www.gov.uk/visas-immigration

You may also wish to consult your nearest British Embassy or Consulate.

If you require a visa in order to study in the UK, we strongly recommend that you apply for your course as early as possible as the application procedure may take several weeks to complete. Before issuing a visa letter, Anglo-Continental must be in receipt of a deposit of  $\pounds$  500 (deductible when you pay your fees) or the full amount of the fees due.

It is your responsibility to ensure that you apply for the correct type of visa to allow you to study at Anglo-Continental for the entire period of your course(s). You must ensure that all details on your confirmation documents issued by Anglo-Continental are correct before you apply for your visa. Anglo-Continental cannot be held liable for any errors that occur during the visa application process. It is also your responsibility to continue to maintain the correct immigration status to study at Anglo-Continental for the duration of your course(s). Failure to do so may lead to termination of your studies without refund or compensation.

We strongly recommend that you send a scanned copy of your visa to us to check prior to your departure to the UK.

## Refund guarantee

Should your application for a visa be refused, we will refund any published course fees paid by you (after deduction of an administration charge of  $\mathfrak L$  100) provided that you send us a copy of the letter of refusal before the intended start date of your course.

Any additional charges for services provided by a third party (such as hotel accommodation, flat rental and courier services) are not covered by this guarantee.

## Schengen visa

If you require a visa to travel to the UK and you intend to travel within Europe during your stay, it is advisable that you also obtain a Schengen visa before you travel to the UK. The Schengen visitor visa has made travelling between its 26 European member countries much easier. For further information, visit the Schengen visa website at www.schengenvisa.cc
