WELCOME TO NEW ZEALAND

New Zealand (Aotearoa) is a predominantly English speaking country, located in the southwestern Pacific Ocean. New Zealand is richly diverse with a multicultural population that includes Māori, Polynesian, European, and Asian people.

Home to the native Māori people, New Zealand is a country full of with history, traditions, and stories that drive its progressive values, and its commitment towards environmental sustainability.

The largest and most diverse city of New Zealand is Auckland (Tāmaki Makaurau). Being the economic powerhouse of New Zealand, Auckland is seen as the culinary and cultural capital of New Zealand. Auckland is an ever-evolving hub for international arts, world-renowned cuisine, and entertainment.

As an urban oasis, nature is always close in Auckland. Embrace the metropolis, and breathe in the fresh air as you swim in pristine blue seas, surf at the black sand beaches, hike through vibrant green parks, and witness our history in sites like the Ōtuataua Stonefields.

IELTS Preparation**

"I studied in IELTS class for 4 months. I found it extremely helpful in improving my English. The teacher was very kind and friendly. What I liked the most about AEA IELTS course is they have a big test every 6 weeks. After each test, we received a report, so I was aware of my weaknesses and areas for improvement.

Studying IELTS at AEA opened new pathways for me as I am now studying in an ICL Diploma course at ICL Graduate Business School!"

AEA OFFERS ACADEMIC AND GENERAL IELTS TRAINING COURSES

ACADEMIC

The IELTS Academic test is for those applying for tertiary education or professional registration in an English speaking country. It reflects some of the features of academic language and assesses whether you are ready to begin studying or training.

This approach is widely supported by many institutions that recognise IELTS.

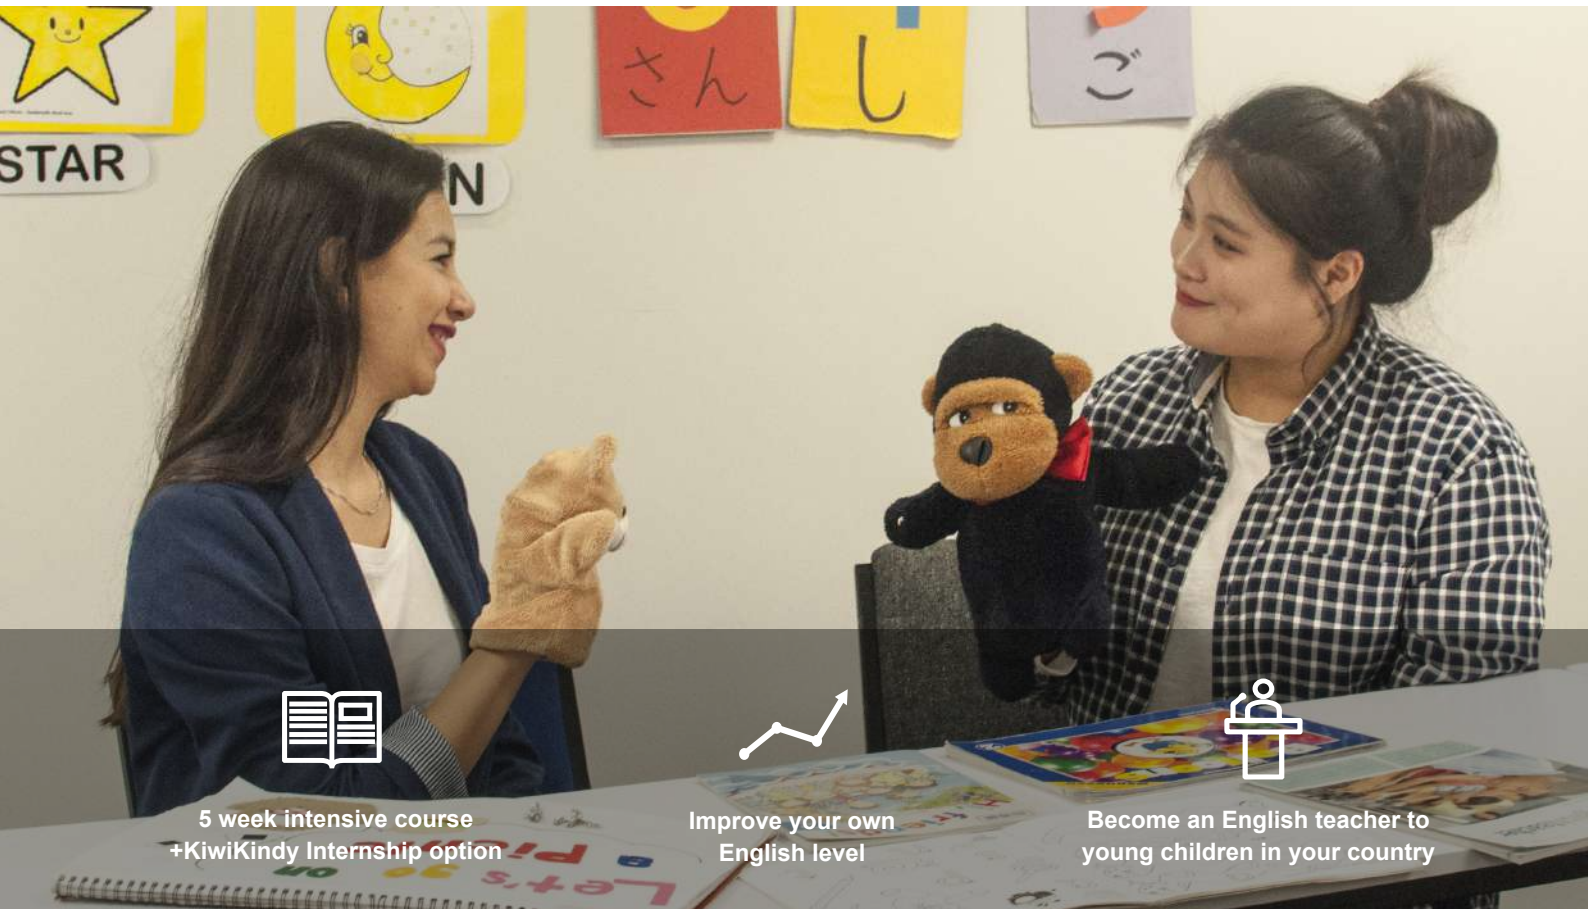

GENERAL TRAINING

The IELTS General Training test is for those who are migrating to English speaking countries for secondary education, work experience or training programs.

It is also a requirement for migration to most English speaking countries, including New Zealand. The test focuses on basic English skills in broad social and workplace contexts.
