

Delivering Your Future

Aspire2 International exists to deliver your ultimate academic and Kiwi experience.

Education enhances your future - come and study with us in one of the most beautiful countries in the world.

Your study and academic pathways and connections with New Zealand employers will create your future opportunities. Start your adventure with us today.

Aspire2 International

Welcomes You!

Whether you're just starting out, or ready to take the next big step in your career, you've come to the right place. We offer a full range of quality programmes to help you find the right employment or set you up for further study.

We are a “whanaungatanga” – an extended family that gives each member a sense of belonging – and you will become a valued member of that family. It takes all sorts to make a family, and that's why we foster multicultural understanding and celebrate diversity.

You will work with a great team of expert teachers who love what they do, and who strive to make your study experience rich, enjoyable and successful.

As an international student, Aspire2 International has everything you need – friendly support whenever you need it with your study, language or getting a job. We are here to help and encourage you.

We can't wait to meet you on your first day!

Welcome to Aspire2 International.

Key Information for International Students

Why Choose New Zealand?

New Zealand is a great place to come and study and offers many exciting opportunities for international students.

New Zealand makes you feel welcome

Kiwis are some of the most welcoming people that you will ever meet. Just over four million people live here, and it is one of the safest places in the world. Over 30 nationalities call New Zealand home.

Our educational system is highly regarded

In New Zealand and at Aspire2 International, you are guaranteed the high quality, hands on education you deserve. The support services for international students are among the best in the world.

Stable economy

We have a democratic system of government and our economy is growing and stable.

Work opportunities

We recognise that for many international students it is important to be able to work, to support day to day living. In New Zealand, there are work opportunities available for international students. On a student visa, you are allowed to work up to 20 hours a week during your study and full time during semester breaks.

Why choose

Aspire2 International?

Campuses in exciting locations

Our campuses are in some of New Zealand's most vibrant cities, just a step from shopping malls, restaurants and theatres.

Not only that, you will have everything you need to learn and succeed. We work with employers in each location so you have every chance to launch or extend your career as part of your studies.

Study for real jobs in real industries

All our programmes have a practical focus. Everything you learn will give you the skills to work in your chosen career. We work closely with industry partners to ensure that what we are teaching is what they are looking for when you graduate. Throughout your study, you will gain insights into real industries by hearing directly from our industry partners.

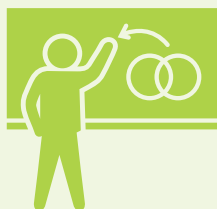

aspire²WORK

Help with employment

The Aspire2 Work team are dedicated to helping you find work – whether that is part time work while you study, or full time work in your holidays or when you have completed your studies.

Expert teachers who make a difference

Launching or extending your career begins with a positive, engaging study experience. Whatever path you are taking, that's just what you will get by working with our dedicated and talented teachers, and enjoying our welcoming campuses.

An up-to-date range of study

Our English language programmes and our range of diplomas and certificates are delivered using up-to-date techniques and content, and aligned with industry standards. We work with the New Zealand Qualifications Authority (NZQA) and industry leaders to keep our curriculum fresh and relevant.

Counselling and support

When you are studying a long way from home, sometimes you might need someone to talk to. Feeling relaxed and enjoying your learning experience is a large part of your success, so we have counsellors to help you sort out any problems – in your first language.

Time for work and play

Life at Aspire2 International isn't all hard work – learning a new language, new concepts or new ideas can be tiring. It's good to balance that work with plenty of fun, and that's why we organise activities to encourage you to mingle with other students and, if you're coming from overseas, to experience Kiwi life.

Part of Aspire2 Group

Aspire2 Group Limited is New Zealand's leading private provider of international and domestic education and vocational training.

Aspire2 Group provides education and vocational training to domestic, international and business to business students. Our vision is to create future opportunities for our students by providing world class programmes. Our overarching objective is to deliver the best possible employment outcomes for our students.

Aspire2 Group has three divisions across international, domestic and business to business. This formidable combination delivers not only the highest quality education experience, but internationally recognised qualifications, pathways and opportunities to meet and work with New Zealand employers.

Together we are focused on creating your future opportunities. Start your adventure with us today.

GRADUATION

We host a number of graduation ceremonies across all of our campuses every year, celebrating the achievements of our graduates as they continue their careers here and overseas.

PASTORAL CARE

Our students enjoy a fantastic number of campus events celebrating Orientation Week, Maori Language Week, Russia Day, Japan Day, Taste of Korea, Latino Day and many more.

Across the year we enjoy outings with students so they can confidently and safely see some of our countryside. A highlight was our Tauranga campus trip arranged by the Student Council to explore the Waitomo Caves and the surrounding native bush. This story was one of great interest to our international friends online, with over 50,000 people viewing the images!

EMPLOYERS

Our relationship with New Zealand employers is of utmost importance to us. To promote the contribution our employer partners make to our business we share their stories, like this one from Pete Cameron at Connex World Limited.

“

Use Aspire2 students if you've got the opportunity. Get connected with some of the awesome things they're doing on the campus and see what value that can bring to your organisation in the future.

- Pete Cameron, Connex World Limited

AGENTS

Showcasing our student offering for our education agents is a priority for Aspire2 International. We host a number of successful events and training sessions for our partners throughout the year.

PHOTO COMPETITIONS

While our students enjoy their term breaks we celebrate the beauty of New Zealand and their adventures with a number of competitions run through our social platforms. The winning entries demonstrate just what a great destination New Zealand is for international students and just how breathtaking our beautiful country is!

CULTURAL EVENTS

We celebrate the important anniversaries of our global citizens with Chinese New Year and Diwali being calendar highlights each year.

INDUSTRY EVENTS

Aspire2 International faculties encourage students to participate in innovation and business expos as well as industry competitions. We are extremely proud of the efforts of our students who took away a number of medals in 2018 at the NZ Hospitality Championships, including NZ Barista of the Year and the 2018 NZChefs Regional Competition.

Our Campuses

Aspire2 International has four campuses, in three of New Zealand's most vibrant cities catering to over 4000 students from all over the world. Close to shopping malls, restaurants and theatres our campuses offer the opportunity to explore everything New Zealand has to offer.

Aspire2 nurtures relationships with the business communities in each city, creating opportunities for you to get practical experience through part time employment while you study, and helping you launch your career.

Each campus has world-class facilities, a student café and courtyard, free wi-fi, a student library (Christchurch eLibrary only) right down to on-site bicycle parking. Aspire2 campuses have everything you need to learn and succeed!

Auckland

Tauranga

Christchurch

Auckland Campus

Located in the North Island, Auckland is New Zealand's largest city and home to a third of the country's population. This vibrant, multicultural city is full of restaurants, shopping malls, theatres and activities. Located between two harbours and surrounded by ocean, there are plenty of wild beaches, islands and beautiful coastal scenery to explore within reach of the city centre. Auckland is one of New Zealand's fastest growing cities and the country's financial and economic powerhouse which creates opportunities in many sectors for employment.

Henderson Campus, Auckland

Our purpose-built Cookery campus is located in the Auckland suburb of Henderson, in a popular tourist region known for its vineyards, dining options and locally grown fresh produce. Because of our multicultural influences, New Zealand food has a vibrant style and many of our Chefs are internationally recognised. Auckland is packed with restaurants and eateries serving a wide variety of cuisine from all over the world, creating a unique study experience and a great place to launch your career in cookery.

Tauranga Campus

Tauranga is New Zealand's fifth largest city and the economic hub of the Western Bay of Plenty region. Many national and international businesses are based there offering opportunities for employment. The Port of Tauranga is the country's largest export port and the city is extremely well positioned geographically with easy access to all major New Zealand cities. Tauranga has fantastic weather, good quality of life, and exciting job opportunities, making it a popular destination for study and work.

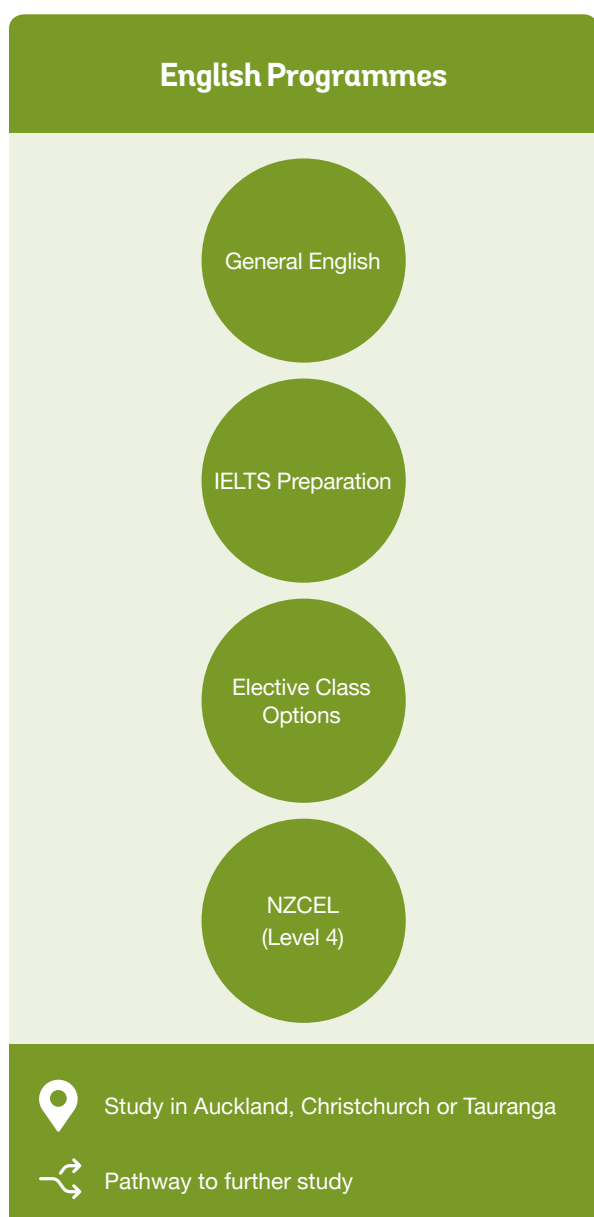

Christchurch Campus

Christchurch is the largest city in the South Island and the third largest city in New Zealand. The city centre is being rebuilt with new bars, international restaurants and creative spaces appearing all over the city. This is great for students looking for part time work in the tourism, hospitality and construction industries. Christchurch is also the gateway to all the magnificent South Island scenery and amazing outdoor activities.

Our Programmes

At Aspire2 International, our practical approach to learning will help you graduate with the skills to be job ready. Our programmes cover a wide range of career paths, so get started with Aspire2 International.

General English

IELTS Preparation

Elective Class Options

NZCEL (Level 4)

Delivered by Aspire2 International English

Auckland, Tauranga and Christchurch

What will I learn?

General English

General English will help you make your way with confidence in an English speaking country. Our experienced teachers make it fun to learn real-life, everyday English. Lessons include a mix of skills (reading, writing, listening and speaking), as well as language practice.

IELTS Preparation

We offer classes at foundation (Intermediate) and advanced levels (Upper-Intermediate/Advanced). You will learn strategies and develop the skills needed to perform well in the exam. You will have access to the latest resources, your progress will be regularly assessed and this class will help you make the transition to tertiary studies.

NZCEL (Level 4)

New Zealand Certificate in English Language (Academic) (Level 4) is intended for learners of English who wish to pursue further academic study. Graduates will have the English language skills to understand context-specific texts of a more academic nature, write records and reports and communicate and interact confidently in English.

Student Support

- Academic support
- Aspire2 Work (job support team)
- Quality student experience

Facilities

- Study and computer area
- Free self-study computer program
- Student café and courtyard
- Free wi-fi
- Student library (Christchurch eLibrary only)
- Bicycle parking

Am I eligible?

There are no mandatory prerequisites to meet regulatory requirements for this qualification.

Pathways to further studies

At Aspire2 International we will help prepare you for Certificate, Diploma, Bachelor, or post-graduate studies. This is your opportunity to move forward into your choice of programme.

Employment pathways

A solid result in the IELTS examination will make it easier to work, live or study in many English speaking countries.

BA (Hons) Business and Management (Final Year) (Top-Up Programme)

The BAM Top-Up is an internationally recognised Bachelor's degree from the University of Northampton. This programme is designed for those with High National Diploma (HDN) qualifications, New Zealand Diploma in Business or similar UK and international qualifications. The programme allows you to gain a full honours degree in one year. You could move on to further study or work in marketing, finance, human resources and general business. The BAM Top-up is designed to be offered in parallel to a New Zealand Level 7 Business qualification.

What will I learn?

The programme covers key aspects of business and management practice and theory, while helping you develop individual and group skills.

Core Papers

The programme comprises modules from the final year of the three-year BAM programme. You will be admitted to this programme based on your previous academic qualifications and/or work experience.

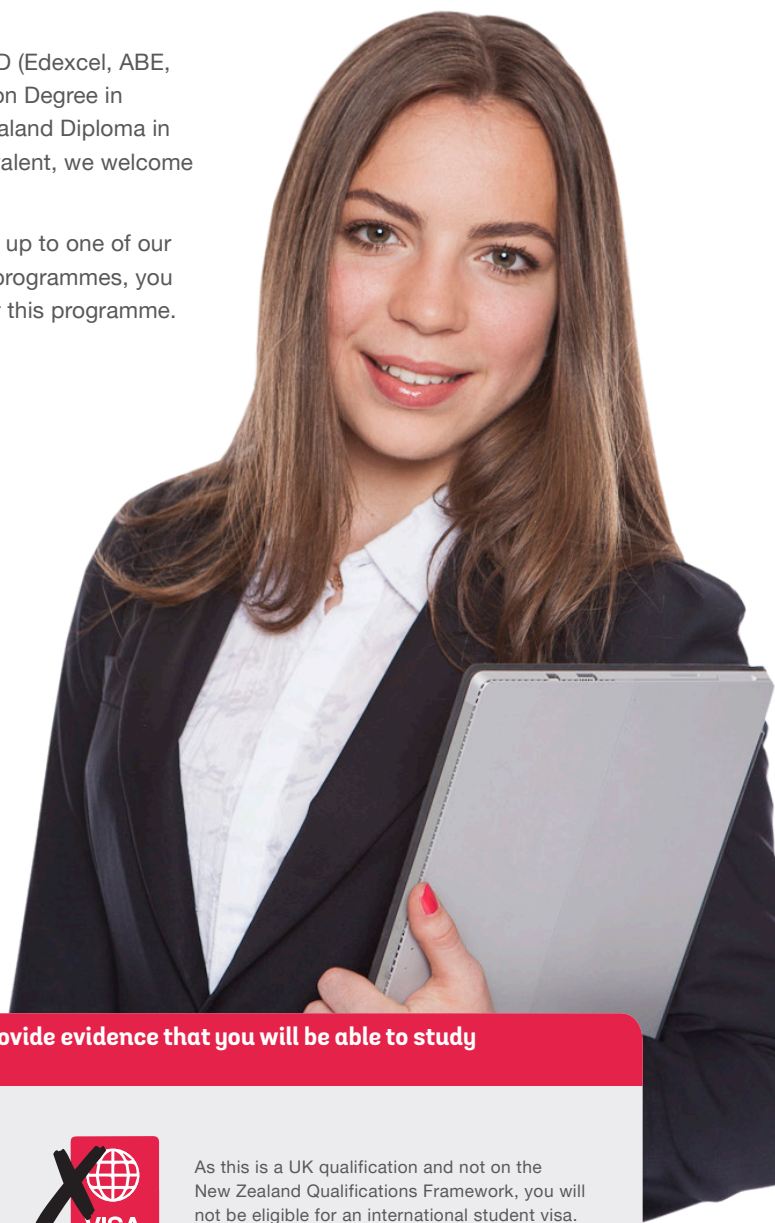

Typical modules cover:

- Business Communication
- Marketing Management
- Organisational Change
- Strategic Management
- Accounting and Finance for Managers
- Business Project

Am I eligible?

If you have an HND (Edexcel, ABE, NCC) or Foundation Degree in Business, New Zealand Diploma in Business, or equivalent, we welcome your application.

If you have signed up to one of our Business Level 7 programmes, you may also apply for this programme.

If English is not your first language you must provide evidence that you will be able to study at degree level English.

IELTS[™]
6.0

provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

As this is a UK qualification and not on the New Zealand Qualifications Framework, you will not be eligible for an international student visa.

- Residential Manager

* Salaries information sourced from TradeMe Salaries Guide in \$NZD as at September 2018

During my studies I worked as a Healthcare Assistant and was deployed to different hospitals around Auckland. As I was aspiring to become a New Zealand Registered Nurse, this industry experience was invaluable.

Diploma in Health Services Management – (Level 7)

Delivered by
Aspire2 International Hospitality & Healthcare
Auckland, Christchurch, Tauranga

120

Credits

120 credits (equivalent to 1 academic year)

If you are a health professional thinking of taking on management responsibilities, this one-year diploma takes a learner-focused collaborative approach and will improve your current level of qualification.

What will I learn?

The diploma is divided into three learning blocks, each with sector-specific areas of study that exposes you to aspects of health management and training. You will gain the knowledge, skills and understanding of the practices, theories and principles required to be an effective manager in a healthcare or a related field.

You will study seven papers that total 120 credits, including a 30 credit research paper.

Core Papers

Managing Finance in Health and Social Care

Managing Enterprise in the Healthcare Sector

Facilitating Training and Development in the Healthcare Sector

Health Promotion in New Zealand: A Focus on Women's Health

Personal & Team Effectiveness in Health and Social Care

Managing Service Delivery in the Healthcare Sector

An Investigative Research Project: Leading Strategic Change in Health & Social Care

Am I eligible?

This programme is open to anyone aged 18 and over.

Students must have a minimum Level 6 qualification or equivalent; or at least 3 years work experience in a relevant health services or health care sector.

Employment pathways

Graduates will be qualified to gain employment in New Zealand and internationally in a range of supervisory or managerial roles in healthcare or health services organisations.

Positions open to graduates may include Healthcare Facilities Supervisor, Healthcare Unit Coordinator or Manager, Residential Services Manager, Day Services Manager, Health and Welfare Services Manager, Community Health Coordinator and Health Promotions Manager.

For international students: If you are coming from overseas, to be eligible for this course you must:

be 18 years
of age or older

IELTS[™]
6.0

provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

have a Pearson Academic Test score of 50 and above with no individual band score less than 42

Language
Cert

have a C1 Expert Test PASS with no less than a pass in each skill

Strands

- ✓ Software Development
- ✓ Computer Networking

Delivered by

**Aspire2 International Business
& Technology**

Auckland, Christchurch

120

Credits

120 credits
(equivalent to 1 academic year)

If you already have qualifications or experience in IT and you wish to pursue a more specialised role, this one-year programme is your next best step. This programme will also equip you to pursue further studies in computing and IT.

What will I learn?

You will be able to specialise in either Software Development or Computer Networking.

For Software Development, you will build your skills in analysing, designing and building robust and user-friendly enterprise or web-based systems. You will assure the quality throughout the development process. For Computer Networking, you will develop essential skills in both wired and wireless computer network design and setup, administration, maintenance and security. As a specialist who can design, maintain and secure these computer networks, you will be in demand.

For either specialty, you may also choose to gain MTA, MCSE and MCDDBA certification from Microsoft. Additional fees apply.

- ✓ Accept your offer
- ✓ Pay your invoice
- ✓ Provide outstanding documents if required
- ✓ Prepare for your visa application

Key Information for International Students

Medical and Travel Insurance

International students must have appropriate and current medical and travel insurance while studying in New Zealand. It must include cover for student travel to and from New Zealand for the duration of time that the student is enrolled. We can arrange students' insurance through OrbitProtect (for more information go to www.orbitprotect.co.nz).

Alternatively, students can arrange their own insurance, and they must provide proof of suitable insurance at the time of enrolment. Please contact Student Services for more information on insurance:

studentsupport@aspire2international.ac.nz

If you have any questions about OrbitProtect insurance, or if you wish to make a claim once the policy is in force, OrbitProtect can be contacted on: 0800 478 833 or 0800 4 STUDENT if you're in New Zealand or +64 3 434 8151 (Reverse Charge) if you're outside New Zealand.

Health Services Eligibility

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Accident Insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Visas

International students are required to have a valid student visa during their stay in New Zealand. Once you have received an Offer of Place from us and you have paid your tuition fees, you should apply for a relevant student visa from Immigration New Zealand office

www.immigration.govt.nz

Pastoral Care

Aspire2 International promotes the wellbeing of students and supports them during their studies. We have agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students. Copies of the Code are available on request from Aspire2 International or from the NZQA website at www.nzqa.govt.nz. You should make sure you have read and understood the Code.

Student Fee Protection

The New Zealand Government requires all New Zealand Qualifications Authority (NZQA) registered Private Training Establishments to protect student fees paid to them in advance. We are registered for Fee Protect through The Public Trust, which has an unsecured capital guarantee from the New Zealand Government. For further information visit www.feeprotect.co.nz

Student Withdrawals and Fee Refunds

Our fee refund policy is in accordance with the Education Act 1989 and amendments, and applies to international and domestic students. Please refer to our website for details aspire2international.ac.nz

Aspire2 International – setting you up for success

If you want to be the best, you need to learn from the best. At Aspire2 International our tutors are experts in their fields, highly passionate about their chosen profession and eager to share their knowledge and skills.

If you are looking for a dynamic and supportive study environment - an environment that will unlock your true potential – you're in the right place. Our friendly, expert tutors will build your industry knowledge, develop your practical skills and equip you with the soft skills you need for employment success in your chosen field.

At Aspire2 International our teachers are highly valued. We work hard to secure, and retain, the very best teachers from New Zealand, and around the world.

Looking for an international study experience that is unique, rewarding and positively life changing?

You'll find it here in New Zealand, at Aspire2 International.
