WHY CHOOSE KAPLAN?

80 YEARS OF EXCELLENCE

Kaplan has been teaching languages long enough to know what students need and the challenges a language school can face as a business. We have schools in 9 countries around the world and other divisions specializing in different areas of education.

FINANCIAL STABILITY

Kaplan International Languages is part of a very successful, publicly listed American company, Kaplan Inc., and is part of a large network of education and training institutions across many industries.

HIGH ETHICAL STANDARDS

Corporate social responsibility is one of Kaplan International Languages' main focuses. Kaplan does what it can to support the communities in which we operate, ensuring everything we do has the best interests of others at heart. We are careful to follow all commercial rules in the countries where our schools are located and have no complaints listed in local industry organizations made against us.

NO "TOO-GOOD-TO-BE-TRUE" PROMOTIONS

Large discounts ultimately compromise the quality of the education you are receiving. Kaplan always ensures that your experience will be of the highest standard. We only ever offer promotions to add value to your booking - this will never result in us cutting corners or including hidden costs that normally follow such business practices.

GUARANTEED PROGRESS

On selected intensive English courses in most countries, we can guarantee that you will improve by at least one level of proficiency mapped to the Common European Framework of Reference (CEFR) every 10 weeks. Unlike many language schools, our proficiency levels don't give you a false sense of progress - by the end of your course you will see significant improvement. Always check what a "level" really means in a school, and if it's backed up by research.

A LARGE NETWORK OF PARTNER UNIVERSITIES AND INSTITUTIONS

Kaplan has specialized divisions for various professions and strong working partnerships with some of the best universities in the US, UK and Australia, helping you to pursue your higher education goals.

HIGHLY RATED ON TRUSTPILOT

Kaplan International Languages has a five-star Trustpilot rating, based on reviews from our former students.

FULLY ACCREDITED

Kaplan International Languages is fully accredited in all the markets in which we trade. We take the advice of regulatory bodies very seriously to ensure that the product we offer is the best it can be for language students.

APPLICATION PROCESS

1_ APPLICATION:

Please send the signed application form to your Kaplan representative with the application fee and, if applicable, the courier fee. Students 18 and over (19 and over for students attending our Vancouver location) must sign the application form to say that they have read and agree with these terms and conditions. The parents or legal guardian of students under 18 (under 19 for students attending our Vancouver location) must read and also sign the application form on their behalf.

Contract Formation:

By signing and returning the application form the student is agreeing to enter into a binding contract with Kaplan. On Kaplan receiving the completed and signed application form and application fee, if the student's program and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract based on these terms and conditions will be formed between the student and Kaplan subject to the student meeting all applicable immigration requirements.

Your privacy is important to us. It is important that you read our privacy policy which informs you about how we process your personal data. This can be found at: www.kaplaninternational.com/privacy and for Australia at www.kaplan.edu.au/privacy-policy.

• **AUSTRALIA:**
This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies. Kaplan may pay to, or receive from, third parties, fees in connection with accommodation, tuition and other related services.

• **NEW ZEALAND:**
Kaplan may add your personal details (name, date of birth and residency) to the National Student Index, which is managed by the Ministry of Education. Kaplan supplies data collected on your enrollment to a number of government agencies and other organisations.

• **CALIFORNIA:**
A student's Booking Confirmation is an invitation to enroll and the student's place on the program is reserved. Enrollment will occur upon arrival to the California campus after the review of important information and the signing of an enrollment agreement. As a prospective student, you are encouraged to review our catalogue prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. A link to these documents may be found at: www.kaplaninternational.com/privacy#toc-california-state-disclosures38. Please note that by submitting an application to us for study, you are accepting the terms in our privacy policy which can be found at: www.kaplaninternational.com/privacy.

2_ PAYMENT DEADLINE:

All program fees must be paid in full (unless otherwise notified) no later than 30 days before the program start date. If a booking is made less than 30 days before the program start date, the fees are immediately payable. If payment in full has not been received prior to your program start date, you will not be allowed to start your program.

• **USA:**
In the USA, a period of enrollment may not exceed 52 weeks at any one time. The minimum length of enrollment is 1 week and the maximum length of enrollment may not exceed 36 months.

• **CANADA:**
In Vancouver, if your enrollment duration is more than 26 weeks (6 months), 50% of tuition fees must be paid no later than 30 days before the program start date and the remaining balance must be paid no later than the date at which 50% of the program has been completed. Contact your Kaplan representative for more information. If the balance is not paid by the deadline, the student's program shall be terminated immediately. In Canada, the minimum length of enrollment is 1 week.

• **AUSTRALIA:**
For a program of 26 weeks or longer, you will be invoiced for the full fees, but you have the option of paying all of your tuition fees upfront or through the Tuition Protection Scheme (TPS) whereby 50% of tuition fees and 100% of all other fees must be paid in full no later than 30 days before the program start date, with the remainder of the tuition fees required 2 weeks before the start of the second study period of any individual program. This payment plan is not available for programs of less than 25 weeks, in which case you will be required to pay the full tuition fees no later than 30 days before the program start date, unless otherwise agreed by Kaplan Australia.

3_ VISA INFORMATION:

Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below. For under 18 students, completed documentation from a parent or guardian may also be required before a student visa can be issued. Visas are not required for online only programs.

• **UK:**
If your application is successful, we will provide either an offer letter for a Short-term study Visa (6 or 11 months) or a Confirmation of Acceptance of Studies (Tier 4 GSV applicants only). If you are applying for a Short-Term Study Visa (STSV) and think you may want to extend more than 30 days beyond your first program, you must explain this on your STSV application and state your last date in the UK is the final date of your visa (not the program end date). Tier 4 applicants must take a Secure English Language Test (SELT) to establish their level of English before they apply for their visa. Students whose level of English is lower than intermediate (CEFR B1) must apply for the Short-term study route. See the following website for further details: www.gov.uk/government/organisations/uk-visas-and-immigration.

Following the UK leaving the EU, from January 2021 there will be new immigration rules, documentation and processes for EEA students. Please contact the UK admissions team for the latest advice regarding immigration requirements at the time of your application.

• **IRELAND:**
We will provide you with an invitation letter to assist you with your visa application.

• **USA:**
Our schools are authorized under Federal law to enrol non-immigrant students. After your application is received, Kaplan will request proof of funds verifying ability to pay for the entire enrollment in the US, which is required for Form I-20 Certificate of Eligibility issuance.

• **CANADA:**
Our schools have Designated Learning Institution (DLI) status with Immigration, Refugees and Citizenship Canada (IRCC). We will provide you with an invitation letter to assist you with your visa application, if applicable.

• **AUSTRALIA:**
Visa application form (Confirmation of Enrollment) may not be issued by the school until all required payments have been received and the enrollment agreement has been signed and returned. The enrollment agreement includes reference to the pre-departure and grievance procedures information and can be found on our website: www.kaplaninternational.com.

• **NEW ZEALAND:**
In accordance with government regulations, visa support (Fees Receipt) is only issued by Kaplan when full payment has been received. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through Immigration New Zealand and can be viewed on their website at: www.immigration.govt.nz.

4_ COURIER FEES:

If you enrol on a program in the USA less than 30 days before the program start date, a courier fee of USD80 will be charged to cover the expedition of visa documentation. If you enrol more than 30 days before the program start date, documentation will be sent by normal postal service, unless you request and pay for the courier service. In all other countries, a courier service is available on request at the rates below:

- * UK: GBP35
- * Europe: EUR55
- * Australia: AUD85
- * New Zealand: NZD85
- * Canada: CAD80

5_ TRAVEL AND MEDICAL INSURANCE:

Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your program length or program/visa type. Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive with the sole exception of our online programs. This policy must be presented in English in New Zealand. If insurance is required, you will not be allowed to commence a program until you have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with GNIB within 30 days of arrival.

- **AUSTRALIA:**
The Australian government requires all students on Student Visas to obtain Overseas Student Health Cover (OSHC), a compulsory health insurance plan for overseas students in Australia. This must be obtained before you apply for a Student Visa, and you can either obtain this independently or through Kaplan. OSHC must cover the whole duration of your Student Visa, and must start at least one week before the start date of your program. Additional fees will be charged if you arrive in Australia earlier, in order to cover insurance for the full visa period.
- **NEW ZEALAND:**
In accordance with the NZQA - Education (Pastoral care of international students) Code of Practice 2016 international students must have medical and travel insurance which covers the following: any travels to and from New Zealand as well as within New Zealand. Medical care in New Zealand, including diagnosis, prescription, surgery, and hospitalisation; and repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting repatriation or expatriation; and funeral expenses. Please note life insurance is not valid for New Zealand.

6_ HEALTH DECLARATION:

Students must report on their application form any: i) mental or physical illness; ii) allergy; iii) disability; or iv) condition that:

- * may interfere with their ability to successfully complete their program;
- * may impact the health and well-being of any other student, host or staff member;
- * may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrollment;
- * may require special accommodation.

Kaplan reserves the right to reject an applicant or terminate a student's enrollment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

- **USA:**
Some schools may require students to provide a Health Declaration and Immunization form in advance of arrival due to campus or state requirements. You will be informed in such cases.

7_ TUITION FEES:

Tuition fees include lessons, orientation meeting, use of computer room and internet at school, placement and progress testing and a Kaplan certificate on completion of the program. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees remain outstanding, or other conditions notified to the student are not met.

8_ ADDITIONAL SERVICES:

Any additional services (including but not limited to transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation, enrollment amendments and materials fees) are not included in any tuition fees unless specifically stated on a valid invoice.

9_ TWIN ACCOMMODATION:

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

10_ UNDER 18 YEAR OLDS:

The minimum age for participation in a Kaplan program is 16, unless a student is enrolled on a designated junior program or written authorization has been obtained by the relevant School Director. Kaplan delivers adult programs(except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan- approved accommodation, book Kaplan's airport transfer service both ways, and purchase a medical insurance policy. All students under 18 (under 19 for students attending our Vancouver location) must provide a signed Minor Authorisation form prior to arrival, and in Canada, students may need to provide a notarized Custodianship Declaration.

- **UK AND IRELAND:**
The British and Irish governments require all students under 18 to submit a Waiver form and an Authorisation of Emergency Medical Treatment form which will be provided at the time of booking. All students under 18 must have travel and medical insurance in place for the duration of their program.
