Enrolment Conditions

Class Placement

We cater for all levels of English, however placement in a class is subject to your English language proficiency which will be tested on arrival, and student numbers. We reserve the right to transfer your fees to a proportional number of 1 to 1 hours if there is no class available for your level. Once a class becomes available, you can go into that class.

Declaration of Medical Conditions

Failure to disclose information in this section that results in harm to yourself or to another person may result in the termination of your enrolment with full loss of fees.

Payment of Fees

The first day of each course is the Monday of that week and attendance is required from then. Payment of fees is required 14 days before the course starts. Fees are calculated in calendar weeks, regardless of any public holidays that fall during a week. Three or more days count as one week. New Horizon reserves the right to adjust its fees. In the case of late entry to a course, or absence or early departure from a course, no refund of fees can be guaranteed. In the case that your visa application is declined, all fees will be refunded except fees for services that have already been provided.

Delay of Start Date

In the case of a student requesting permission to delay their start date, this will only be given if New Horizon has received and approved such a request prior to 5.00pm New Zealand time on the Friday before the original start date.

Cancellation or Course Reduction

For courses 3 months or longer: Cancellation or changes must occur before the start date or during the first ten working days of the course for which attendance is required. After ten working days no refund can be guaranteed.

For courses 5 weeks to less than 3 months: Cancellation or changes must occur before the start date or within the first five days of the course for which attendance is required. Minor infringements will be dealt with by the class teacher or the Director of Studies during or after class. The student will be given every opportunity to react to the feedback given and adjust their behaviour accordingly. Serious infringements will be dealt with by the following stages:

1. Teacher or staff member will refer the student to the Director of Studies. 2. After discussion with both parties a first warning form will be given and noted on the disciplinary form which is held in the Discipline file in the Director of Studies' office. 3. On the second occasion a second warning form will be filled in and action taken to assist the student to react to the feedback received and adjust their behaviour accordingly. 4. On the third occasion a final warning will be given to the student, parent and agent by the Director of Studies. 5. The fourth infringement will result in suspension. An action plan and time frame will result from this meeting. 6. The fifth infringement will lead to expulsion of the student and notification will be sent to NZ Immigration that the student visa has been revoked.
