Project-based learning helps you to apply what you will learn in class to real-life situations. You may have the opportunity to work with other students to plan a fundraising project from start to finish for our partner charity, United World Schools. Some of the events that our Lions have organized are; a live auction, a 5km fun run, a casino night, a fashion show and much more. We help you understand the world community and give you the skills and confidence to make a difference.

GRADUATION

We hold graduation ceremonies in all of our schools every Friday to say goodbye to any students leaving that week. Although it's difficult saying goodbye, it also gives us a wonderful opportunity to celebrate the students' time and achievements, and an opportunity for the whole school to come together as one to wish them good luck on their way to their next adventure!

CCOMMODATION

YOUR HOME AWAY FROM HOME

Whether you prefer the independence of a student residence or the familiarity of homestay, our accommodation options are chosen to offer you the flexibility of choice and quality you deserve.

RESIDENTIAL ACCOMMODATION

Offering you more space to yourself, our hand-picked student residences provide the chance to live more independently with like-minded people from all over the world. Residences are modern and often include 24 hour reception, laundry facilities, bike storage, common room, and internet access, conveniently located for easy access to school.

STUDENT HOUSESHARES (UK ONLY)

Share a home with other students! You will live with other students but on a smaller scale than in a residence, allowing you to build lasting friendships with your house mates. Twin and single room options are available. The Student Houses are fully furnished and equipped for self-catering.

HOMESTAY*

One of our most popular accommodation options, homestay allows you to integrate into local life and practice your English language outside the classroom, over dinner and throughout the weekend with your welcoming hosts. This is a unique way to live and study at your chosen destination.

SUPERIOR HOMESTAY (UK ONLY)

This option offers you all the benefits of homestay, but with the comfort and convenience of a personal bathroom and a higher standard of accommodation.

PRIVATE OPTIONS

As all of our schools are in popular student cities, there is a wealth of private accommodation to rent, to suit all requirements and budgets. Our staff are always on hand and will be happy to help.

16/17 YEAR OLD RESIDENCE (US ONLY)

Homestay is an excellent choice for 16 & 17 year olds studying at all four of our US locations. In Chicago, 16 & 17 year olds who are accompanied by a chaperone or guardian may stay at the Hostelling International, and in Boston, minor students can stay at the International Guest House, where breakfast and dinner are provided.

16/17 YEAR OLD SUMMER RESIDENCE (UK ONLY)

In London, Canterbury and Cambridge we offer a fully supervised residence for 16 & 17 year olds in July and August. This comes with full board catering and a range of activities suitable for students under 18. The residences include breakfast, lunch and dinner at Stafford House canteens and live-in residential supervisors. This is a great alternative to homestay for students under 18.

A HELPING HAND

Every school has a dedicated Student Services Team, whose job it is to aid students with any accommodation issues or queries they may have.

*All London and some Cambridge homestay accommodation is provided by third party agencies.

You only know a few words of English. You may not be able to recognise English letters.

You have a small, basic vocabulary and can communicate on a simple level. You can understand simple interactions as long as the other person talks slowly and clearly. You make mistakes but people understand you.

You can communicate in simple and routine situations, and understand frequently used expressions. You are familiar with basic grammar but need to develop this further. You need to build your vocabulary and listening skills.

You have a reasonable vocabulary and can survive well in most everyday situations. You can understand much of what you read and hear. You need to become more fluent and accurate, with more complex structures and sophisticated vocabulary.

You can communicate effectively in most situations, discussing and expressing opinions on a wide range of topics. You will continue to broaden your vocabulary to become more fluent and accurate.

You can express yourself clearly and effectively. You have a sound grasp of major tenses and grammatical structures. You read widely and can follow the majority of what is said on TV, radio and film.

You can use a range of language close to that of your own language. You have no problem understanding or communicating. You now wish to extend your vocabulary and explore the nuances of idiomatic English.

TO SEE MORE

What are your language learning goals?

- Do you need English for travel?
- Do you need English for business?
- Are you going to study in an English speaking university?
- Do you need to pass an English exam?

Whatever your goals are, Stafford House can help you achieve them, and General English is always the starting point.

OBJECTIVES

Our core General English class is an integrated skills class, covering reading, writing, speaking, listening, grammar and vocabulary. Our focus is on developing students' English skills for real communication. Our General English programme is truly interactive and engaging – much more than just a series of grammar rules and exercises with the answers in the back of the book.

How much your English improves depends on how much you practise and study. Going to class, completing homework, doing private study, and taking part in our exciting social programme as much as possible will help you achieve your goals as quickly as possible, while having fun!

FLEXIBILITY

Study for 20, 25, 30 or 35 lessons per week! Choose from our range of modules to personalise your programme to fit your needs.

HOW YOU LEARN

Our teachers use a range of techniques that keep students motivated and build confidence. Any weekly programme is influenced not only by the coursebook and syllabus but also by the individual learning goals and interests of the students.

PLACEMENT TEST

On or before your first day you will be given a language test, to assess your knowledge of grammar and vocabulary and how well you are able to understand and speak English, so we can put you in the right class.

MONTHLY TUTORIALS

Every month you'll have a one-to-one tutorial with senior academic staff, where you can review course choices and learning methods, and make sure you are on track to reach your goals and fulfil your potential.

QUALITY ASSURANCE

All ten schools are fully accredited by their respective national accrediting bodies, and our teams constantly work hard to maintain high academic standards. Our Directors of Studies ensure that our programmes are of a high quality, that our classes have a broad nationality mix, and that our teachers take part in ongoing professional development.

MAKING PROGRESS

From the first day, students make progress in English by using the language in meaningful ways. New language is practised and mastered in the classroom, enabling students to communicate outside of school more confidently, accurately, and effectively. Our teachers act as coaches and facilitators, clarifying concepts, correcting errors in students' speaking and writing, and pushing everyone to participate to the maximum of their ability.

DEVELOP YOUR ENGLISH

Each week you will be encouraged to consider your own development and suggest areas that will help you develop most quickly. Your teacher will take your suggestions and use them with the syllabus to create lessons for your class that work for you.

OUR GENERAL ENGLISH COURSES:

- Focus on developing practical and functional skills, rather than just learning grammar or vocabulary.
- Engage students in practical tasks that relate to or simulate real-world English.
- Prioritise meaningful, communicative language over traditional exercises.
- Support a skills-based approach through ongoing assessments and tests.
- Encourage students to develop an awareness of their own strengths and weaknesses.
- Encourage students to reflect on their own progress and set goals for their improvement.

EXAM PREPARATION

SCAN WITH ZAPPAR
TO SEE MORE

All our exam preparation courses cover the areas of your chosen exam in detail, ensuring you learn both the skills and the English language needed to achieve exam success, through the use of past papers and test taking strategies.

Preparation courses available for Cambridge Exams, IELTS, and TOEFL.

HOW YOU WILL LEARN

These courses are a mixture of language input and exam strategies. The language input is aimed at broadening your vocabulary and grammatical range, while exam strategies help you become familiar with the many question types in your exam, and learn techniques to demonstrate to the examiner your knowledge of English.

IELTS & TOEFL

Both the IELTS (the English Language Testing System) and the TOEFL (the Test of English as a Foreign Language) are designed to test the English level of students wishing to study at an English speaking college or university, but they are also used for work and migration. You cannot pass or fail an IELTS or TOEFL; rather you get a score that tells you your level.

RECOGNISED WORLDWIDE

Both can be taken in over 130 countries around the world, and on almost every week of the year, and both will give you your results in about two weeks. IELTS is more well-known in the UK, Australia, New Zealand and Canada, whereas TOEFL is more well-known and widely accepted in the USA.

INVEST IN YOUR FUTURE

IELTS is now also the only test you can use to acquire a UK visa, when you apply from outside of the UK. Our IELTS preparation course prepares you for the IELTS Academic exam which is suitable for the UKVI application.

CAMBRIDGE EXAM PREPARATION

The Cambridge Suite of Exams, part of the University of Cambridge, are based on decades of unrivalled research in English Language learning, teaching and assessment. They are recognised globally by schools, universities and employers and never expire (so you don't have to take them again in two years' time).

Unlike IELTS and TOEFL, the Cambridge Suite exams are proficiency tests. This means that you must take the right test for your level. Because of this, the preparation you do for these exams really helps you improve your English, as it is aimed specifically at your level.

Stafford House is an approved testing centre for Cambridge Suite exams at all of our UK centres, as well as in our San Diego school. This means you can book and take your exams in the same place you have your lessons, which should reduce exam anxiety and help you perform better.

Stafford House offers the following preparation courses:

CAMBRIDGE ENGLISH FIRST / B2 FIRST

This is the most popular exam in the Cambridge Suite, and it demonstrates that you can use everyday written and spoken English independently for work or study purposes.

CAMBRIDGE ENGLISH ADVANCED / C1 ADVANCED

This advanced level exam is accepted by more than 6000 education institutions, employers and government departments world wide. It shows you have reached a high level of English.

CAMBRIDGE ENGLISH PROFICIENCY / C2 PROFICIENCY

This qualification demonstrates that you have mastered the English language and speak it exceptionally well, with high levels of fluency and sophistication.

Stafford House's Professional Certificates courses are a truly unique offering among ESL schools. These are introductory professional training courses designed for non-native speakers and conducted entirely in English.

COURSE FEATURES

OUR GLOBAL COMMUNITY

Stafford House is proud to support organisations that help less privileged, marginalised and vulnerable people across our global community gain access to education.

We believe education is a right for all and currently support the inspiring work of United World Schools, by raising funds for the running of the Ngang Som Thom school in Cambodia. We also support the vital work done by RefuAid by providing English courses to refugees and asylum-seekers in the UK.

OUR WORK WITH UWS

Since partnering with UWS our staff and students have consistently exceeded raising the funds needed to cover the running costs of our sponsored school. We've sent employees from across our centres to visit the Ngang Som Thom school, where they helped to teach lessons, got to know the students, and learnt all about the important work UWS

undertakes in a country where many children are beyond the reach of the education system. This year we are sending another team of employees to Cambodia to teach the students, aid the teachers and learn just how valuable education is for all peoples across the globe.

REFUAID

In our London school we have partnered with RefuAid by providing English scholarships for refugees who find themselves in need. So far in our collaboration we have helped inspirational individuals from Syria, Sudan, Darfur and other countries they have been forced to flee, and those students have gone on to BA or MA programmes at UK Universities. It's a partnership that enriches the life of the school, and we are very proud to be able to provide this support to these incredible individuals. By supporting displaced peoples in this way, we not only give them help with their education but also welcome them into our country and into our school communities.

OUR SCHOOL FUNDRAISING EFFORTS:

Here are just a few of the many fundraising events we've held at our school.

JUST A TRIM

Three of our centre directors have been brave enough to have their heads completely shaven to raise money for our charities!

RECIPE FOR SUCCESS

Our students and staff have held frequent bake sales, bake-offs and cooking competitions to share their national dishes and raise money at the same time.

RUN FOR YOUR MONEY

We have held numerous runs, races and walks for students and staff to join in with, and get healthy as they help out.

NO MOUNTAIN HIGH ENOUGH

Some of our teachers have even climbed Mount Snowdon in the UK in an effort to raise money for UWS and other charities.

TAILORED GROUPS

We deliver tailor-made package programmes to groups of students throughout the year, designing the programme to adapt to the needs and interests of each group.

Our UK centres can provide group programmes in closed classes for students aged 12+, except in London where the minimum age for groups is 14.

TAILORED TO YOUR NEEDS

Whether your group is looking for specialised course content for academic, cultural or professional purposes, we work with you to understand your requirements and objectives, and use that understanding to design a highly effective teaching programme. We welcome groups from a variety of backgrounds and professions, from university students and business executives, to nurses, pilots and teachers. All of our group students share the same teaching facilities as our year round students.

BESPOKE ACTIVITIES

Alongside the course content, we can offer a bespoke calendar of cultural and social activities, meal plans with specific dietary requirements and assistance with particular travel arrangements and accommodation types, ensuring that every aspect of your experience is tailored to your needs and expectations.

COURSES WE'VE RUN:

- Teacher training courses for teachers from all over the world, which include “refresher” General English classes plus “teaching methodology” input sessions.
- A two-week Harry Potter themed course, with classes in the mornings followed by Harry Potter-themed Blue Badge guided walks in the afternoons. The highlight of this trip was the visit to Warner Brothers’ Studios and the premiere of a new Harry Potter movie.
- An exam preparation course for Trinity GESE, Cambridge CAE and IELTS preparation.
- A customised technology and startup company experience, including a digital marketing module in the morning with afternoons including various San Francisco Bay Area and Silicon Valley events and tours. This course included visits to the offices of local companies and attending a networking event for ‘Angel Investors’, as well as visits to the campuses of Google and Facebook on a Silicon Valley tour.

FANTASTIC EXCURSIONS

JUNIOR GROUPS AND INDIVIDUALS

Stafford House Summer provides high quality English and activity courses for young learners. We enjoy a reputation for providing effective language lessons and running well-organised activities and excursions, in safe and friendly environments throughout the UK, Canada and USA.

We give equal importance to both the academic and leisure parts of the programme and encourage students to use the English language rather than to ‘learn about it’.
