# BRIGHTON

## A truly exciting city

Brighton is one of the most cosmopolitan cities in the UK and located just 50 minutes from central London by train. It has much of what London has to offer; a notable difference being that Brighton is a seaside resort city.

Brighton is the UK's most popular seaside destination and a truly exciting city with its own identity. Brighton is a unique, upmarket and welcoming place mixing historic buildings, diverse nightlife, trendy boutiques, a rich theatrical and music scene, fabulous clubs and bars, family entertainment, eclectic shopping, 2 universities and a beach front which is one of the most visited in the UK. Not only that, but with the beautiful South Downs National Park close by, offering rolling hills and stunning cliff top coastlines, Brighton is a city with plenty to offer.

Brighton is famous for the Royal Pavilion; the home of King George IV (The Prince Regent) which he often visited as a holiday destination leading a luxurious lifestyle. Since the eighteenth century, Brighton has had the reputation for being a relaxed and vibrant city. Londoners have been travelling to Brighton and the beach ever since the railway arrived in 1841 to bathe in the sea and they still do today to get away from the pressures of city life. Brighton Palace Pier and the Royal Pavilion are the main sights, but you will also find hundreds of pubs and clubs attracting an energetic crowd. The city is now also home to the British Airways i360, the world's thinnest moving observation tower (162m) with views along the coast, across the South Downs and across the English Channel.

Brighton comes alive when the sun is shining; people fill the streets and head down to the

beach at every opportunity. Brighton is one of the lead cities in the UK to host a Pride festival, a celebration to promote equality and diversity (LGBTQ+). The major event is an annual summer festival held in the first week of August which consists of a parade through the city centre, an event in Preston Park and the Kemp Town Village Party with major artists performing (2019 headline artist being Kylie Minogue).

For a quieter place in the sun just head west and pass the seafront bars and the old West Pier (Brighton's ghostly pier that caught on fire in 2003). However, Brighton is an all-season city and even though it can be crowded on a hot summer's day from September the crowds are less but the city still retains its charm.

If the city-life is too much for you, you can always have a break in the fabulous South Downs National Park. Just take a bus or train and in 20 minutes you are walking among green hills, strolling along cobbled streets and enjoying some of the most beautiful coastline views England has to offer.

Brighton & Hove Albion FC were promoted to The Premier League in 2017. Also known as "The Seagulls" their Premier League status means that in the 2019/2020 season Brighton are playing against some of the biggest football teams in England in The Amex Stadium in Brighton. You can see great teams play football here in Brighton like Manchester United, Chelsea, Liverpool and Arsenal.

Whatever it is you are looking for to complement your studies and free time, Brighton has a lot to offer.

## Accommodation

Students live with one of our experienced homestays who are within a 20 – 45 minute bus journey from the school.

Junior Vacation students are housed in a shared bedroom. Homestay accommodation encourages students to speak more English outside of the classroom and make new friends from around the world.

On the day of arrival the homestay provides information about the local buses and how to travel to and from school so they are prepared for their first day at BLC.

Homestays serve a breakfast, lunch and dinner in the week during Winter and Spring. Hot lunches are provided by BLC Monday through to Friday (08.06.20 - 28.08.20) in the summer.

## Airport Transfers

Private transfers  
For students not arriving or departing within our coach transfer times or from another UK airport a private taxi must be booked with BLC to and from the accommodation. All airport arrivals must be no later than the times below for all transfer services.

20:00	Gatwick
19:00	Heathrow
19:00	Stansted
19:00	Luton

Please note that students below the age of 16 travelling on their own must book a transfer from the airport or UK immigration may not allow them through arrivals.

## Sunday Coaches

BLC provides coach transfers at the times below for students arriving and departing from Heathrow or Gatwick Airport on Sundays (please check the website for updates).

A BLC representative will be waiting for students in the arrivals hall at the airport. Once the BLC representative has collected students from the arrivals area, they are taken to a coach that is ready to go to our main school in Brighton.

Upon arrival at the school, a weekly Brighton bus pass is given to all Junior Vacation students, who are then collected by their host and taken to their new home.

# FAMILY VACATION

At BLC we pride ourselves for teaching children from a very young age. The family vacation course is perfect for mothers and fathers who want their child to engage in the English language for the first time or for children already studying English. As a parent you can choose to study at the same time as your child in one of our adult courses or not at all.

Course Dates	Minimum Level	Maximum Class Size	Course Length	Age Range
30.03.20 - 28.08.20	Beginner (A1)	12 (8 average)	1 - 4 weeks	5 - 11

## Family Courses

Family courses are innovative and challenging; designed for children to build their confidence and to engage with the English language. BLC uses a theme based approach with an emphasis on speaking to develop communication through carefully structured and interactive activities in class.

All students are tested on their first Monday at BLC and then put into their correct age appropriate class level.

As a parent you can study at the same time as your child studies, or just relax and enjoy what Brighton has to offer. Family Vacation courses are available over Easter.

BLC can provide home stay accommodation for families of up to 2 living together. We recommend larger families book their own private accommodation through specialist agencies in Brighton. The college can recommend a selection of agencies if requested.
