Value for money

For 25 years, we have been growing our expertise to create and provide exciting, unforgettable and inspirational opportunities for learners of all ages. Since taking our first steps in 1994, we've come a long way, and we will continue to improve our course offering and locations, to best add value to our clients. Over the last two and a half decades, we've grown into a diverse organisation with key knowledge to cater to the needs of students.

What we offer:

- Year-round British Council accredited UK English centres
- A variety of locations: London, Eastbourne and Dublin
- Life enhancing educational travel programmes
- Committed and qualified academic team
- Bespoke course opportunities

As a family-oriented business, relationships are particularly important to us and, this is reflected in our student satisfaction levels. We are devoted to giving students the best opportunities and the best outcomes to guarantee success.

“We are proud of the work we’ve done over the last two and a half decades to ensure our students have the best experiences possible. We are dedicated to maintaining our high standards as we continue to create even more opportunities in 2020.”

Friendship

At Twin we are invested in a student's journey, walking alongside them every step of the way. From the moment you reach the UK or Ireland, your English learning adventure begins and when it comes to an end, we hope you will be a more confident user of the English language.

It starts with a goal

Every student has a reason for wanting to improve their English language skills. If you want to improve your career prospects, travel, or just speak to people from other backgrounds and connect with different cultures, Twin has the right course for you.

Our students' goals mainly fall into three categories:

Academic - Improving English to meet university and other learning requirements

Travel and experience - English is seen as an advantage to increased global mobility

Professional - Students learn English to find work in English speaking countries

I think the teaching at Twin is really progressive.

Student Life After Class

Make new friends, explore the sights, and discover different cultures. Twin has a busy social programme with lots to do after class and on the weekends, so you will have lots of opportunity to mingle and explore. Experience the 1000 years of academia in Oxford, the pebble beaches of Brighton, and then visit a European capital with your friends for a special treat.

Twin sample social programme

Twin organises a weekly social programme that mixes free and low-cost activities so you can make the most of your stay and take your learning outside the classroom*.

"I really enjoyed London as a city; I think it is a great city. There is so much that you can visit and experience. There is so much history and culture."

- Abdulrahman, Saudi Arabia

Accommodation

Comfortable accommodation means students can focus on their studies and learn about UK and Irish culture in their new home away from home.

As a Twin student, you will have the opportunity to build strong bonds as you live, learn and enjoy your learning experience together with others.

Homestay

Living with a host family is a great way to practice your English and experience the culture as you share meals and experiences together.

Dedicated staff in our accommodation department carefully choose hosts who will give you a warm welcome. We understand how important it is to feel comfortable where you live and we are here to provide support throughout your stay. Generally, our students arrive on a Sunday before the course start date and leave on the Saturday or Sunday after the course ends. You will live as a member of the family, staying in single or twin-bedded rooms, and have breakfast and dinner with the family each day.

Lewisham Residence

In summer 2019 our Eastbourne homestay hosts received 4 and a half stars.

We Commit to Quality Teaching

We are dedicated to providing students with academic resources of a high standard. We do this primarily through the quality of our teachers, all of whom are qualified in Teaching English as a Foreign Language.

Making progress happen

Your journey with us starts with a language assessment to ensure that you are placed in a class that is best suited to you. Our teachers are invested in the progress of every student. Regular one-to-one meetings, extra help and feedback, progress tests and tailor-made progress plans are just some of the ways we can help you to achieve your goals.

Twin's communicative teaching method

Our teachers adopt the communicative teaching method and use modern technologies wherever they can to help you learn as effectively as possible. Focusing on communication, fluency and conversation allows you to improve your English for use in real-world day-to-day life.

Twin e-Learning

During the course and for up to three months after completing your studies, you can continue to practice your English with our online learning platform, Twin e-Learning.*

Please contact a member of our friendly sales team to learn more

*Please note, Twin e-Learning is available for individuals only.

Staying on Track

Our courses are specifically designed with our students' needs in mind. We know you have certain expectations when it comes to learning, so our teachers aim to keep you on track. On average, our students progress in 10-12 weeks per level. Our teachers will help you to reach these goals with personal assessments and will provide additional assistance where needed. We pride ourselves in offering a truly international experience and have a range of students from different countries. Our learning is rooted in communicating with your fellow students, and practising your conversational skills while making new friends, thereby improving your language skills.

Intensive modules

Students can choose their Intensive English add-on modules to add 6 hours of tuition. Intensive courses also include an extra 1.5 hours of English workshops each week along with your General English course. All courses are subject to availability.

IELTS Preparation

A high IELTS score can open up a world of opportunity. This module will teach you the IELTS exam requirements and format. We will work with you to develop a strategy to pass with the highest possible score. Classes include practice of all question types to ensure that there are no surprises on the exam day. For a high score, students need extensive practice of reading, writing, speaking and listening; therefore, combining a General English course with IELTS Preparation is great exam preparation. We can also help you to apply for the exam in one of the nearby test centres.
