CLLC is the place to learn English while having a good time. The staff are always in a good mood and the building is new and modern. It is a beautiful experience. My most memorable experience is without a doubt, meeting all the new students from all over the world. In addition to improving my English, I have made lifelong friends. Thank you CLLC!

The time that I spent in CLLC was a great experience that allowed me to improve my English skills and develop personally. The staff are helpful and kind. They always help me when I have problems. The teachers are great, and they did a lot to teach me English and improve my skills. Toronto is a great city. The people are polite and helpful. I met a lot of different people from other countries. I learnt so many new things, and it was great experience for my personal development. Thanks CLLC family.

My first impression of CLLC is that it is a family. Everyone always asks how you feel and about your adaptation. The infrastructure is great and the teachers are amazing. This is the reason I have come back here for a second time! And next year I plan to return again! I really love Halifax and this school.
