My CLLC EX

I like to follow the courses of CLLC. It is a wonderful multicultural school (China, Senegal, Italy, Mali, etc.), the professors are always listening, and they adapt to our levels of grammar, vocabulary and oral expression. We learn English while having fun and every evening I go home with a knowledge of English. This is one of my best experiences!

- **Fatoumata**

My experience at CLLC has been great. I meet a lot of new people

at CLLC are really kind, helpful and friendly. The activities after class let me know more about Toronto and how to improve my English.

- **Andres**

What can I say about CLLC? I can only say that they are not just a school, they are a team, they are a family and I feel very happy to be part of this family. Everyone welcomes you with open arms and always shows you the best way forward for your learning. We all need love and support to evolve and this I found in CLLC. Thank you CLLC for everything.

- **Milena**

EXPERIENCE

I love the outgoing and humorous teachers at CLLC. They make the class very interesting so that we can enjoy learning English. I really like taking part in activities at CLLC. I went on a ski trip, to Sugar Moon Farms, a wildlife park, and to watch a fantastic hockey game. CLLC helps me to learn much more about Nova Scotia and Canada. I have also met lots of friends from a variety of different countries. I love my new friends!

- Wentao (Fiona)

I've been in Halifax and at CLLC for almost a year. I think CLLC is the greatest language school because CLLC has the high quality education with very kind teachers and a lot of friendly international students that always make a good mood. We can join fun activities, such as watching hockey games, coffee and conversation, and ice skating. It is a great time to be in CLLC with the beautiful Atlantic Ocean.
