The IELTS program builds English grammar and vocabulary in the key tasks and topic areas that come up on the IELTS Test.

The program integrates all four parts of the IELTS Test: Listening, Reading, Writing and Speaking, preparing students for either the Academic or General IELTS Test.

The intensive test practice component builds student familiarity with the format of the test and provides them with the opportunity to practise a range of test-taking strategies within given time limits. Teachers also give critical tips and strategies for improving their IELTS band score.

The exam practice will provide ongoing feedback about students' progress towards mastery of the target skills.

The Cambridge Examination Preparation Courses are designed to prepare students for one of the following Cambridge Exams:

» First Certificate in English (FCE)

» Certificate in Advanced English (CAE)

The Cambridge Exams usually take place four times a year; in March, June, August and December. Our courses are scheduled to finish on the week before the exam date. Lessons will focus on the four skills, grammar and use of English, vocabulary building, tips and strategies for the test. Students will have regular examination practice with authentic test materials to ensure that they are familiar with the structure of the exam and can practice the language and techniques they need. We cannot accept a student for any exam course until CES have confirmed the student is at the required level. Every student is then appointed a tutor who continually assesses their progress with CES.

CES Dublin, CES Toronto and CES Harrogate are official Cambridge Exam Centres.

**Please Note:** The above visits do include a CES Teacher accompanying the group. Where groups arrive mid-week to mid-week it may not be possible to provide classes on the Monday and Tuesday of their last week. Additional tuition will be given in lieu of this or the classes will take place in the afternoons. If groups are arriving and departing to/from their accommodation at unsociable hours due to flight arrival or departure time CES reserves the right to charge a supplemental fee to cover this.

The following is an outline of the terms and conditions for bookings and payments for Agents and representatives of Centre of English Studies. The purpose of this list is to outline our conditions clearly and concisely and thereby avert misunderstandings. The Term “Agent” refers to any intermediary representing Centre of English Studies. Any disputes relating to accounts or services provided will, where necessary, be heard in the courts in the Republic of Ireland, in the UK or in Canada – wherever the majority of the service is performed.

**Enrolling on a Course** Where possible we ask that Agents complete the CES Registration Form. The CES Registration Form requests information on personal details, course, level, arrival information, transfer details, accommodation details, medical conditions, special dietary requirements and next of kin. We would ask that Agents complete this form, or assist their clients to do so.

To comply with accreditation requirements, CES will ask students to sign a student contract and health declaration on the first day of class. This form must be signed by a parent or guardian for those under the age of 18 years old.

**Booking and Paying for a Course** There is a registration fee of €75 for Ireland, £60 for the UK and \$150 for Canada, for all students.

**Group Bookings** - a 20% deposit is requested at time of booking with the remaining balance due for payment 2 weeks prior to arrival.

**Individual Bookings** - a deposit of €250 for Ireland, £200 for the UK and \$350 for Canada is required at time of booking with the remaining balance due for payment 2 weeks prior to arrival.

CES will then send Agents an invoice, indicating the price of the course and accommodation and any additional services requested, with the commission already deducted. The total invoice will show the amount due.

**For some countries’ visa applications, full payment is required in advance before acceptance letters are issued. It is the responsibility of the agent or student to ensure that the correct visa is applied for.**

**Commission**

**Individual Bookings** - Commission is paid in two ways: 1) Net invoice method or 2) Retrospective

Commission method. CES invoice the Agent, who is paid the gross price by the client and then pays the net invoice fee to CES. Commission is calculated on tuition paid for adults and on our total package price for juniors.

**Retrospective Commission Method** Clients are invoiced for the gross amount and commission is paid on Adult Tuition Fees and Junior Package Price. Deposits must be paid for students booked by Agents on the retrospective method. The Agents details must be clearly marked on each booking at the time of booking for commission purposes.

**Group Bookings** - Special group rates are agreed with Agents by negotiation. It is important to note that should this group not reach the number agreed upon, this will automatically invalidate the fee agreed and a sliding scale will then apply. CES will provide this sliding scale upon receiving a group booking. Bookings will not be confirmed until the deposit, has been received by CES. It is important to note that deposits must be paid upon presentation of an invoice. **Balance must be received 2 weeks prior to the groups arrival.** Groups will be assigned to chosen centres on a first-come, deposit-paid basis. Failure to meet the terms outlined can lead to cancellation. CES reserves the right to close bookings once we have reached our quota in each Centre.

**Arrivals** Group quotes include one group transfer on arrival and one group transfer on departure. Regarding flights arriving between midnight and 6am or delayed flights, CES reserves the right to hold students until 7am. *Small groups or individual students booked as part of a group and arriving separately to the group will be charged a transfer fee.*

If groups are arriving and departing to/from their accommodation at unsociable hours due to flight arrival or departure times CES reserves the right to charge a supplement fee to cover this.

**Pricing** CES requires Agents to submit their price lists.

**Misrepresentation** It is the responsibility of Agents promoting CES to give a true and accurate description of our programmes. Any such description must be submitted to the CES Marketing Department before printing. CES reserves the right to refuse bookings from an Agent who is misrepresenting our courses.

**Adult Groups**

**Ireland** - Accommodation is half-board from Monday to Friday and full board at the weekends. If full board accommodation is required from Monday to Friday, CES Dublin can arrange this at an additional cost of €40 per person p/w.

**UK** - Groups attending CES Wimbledon, CES Oxford, or CES Edinburgh who wish to have full board, will have to pay an additional £35 per person p/w supplement. CES Worthing and CES Leeds are full-board all week.

In circumstances where the accommodation and facilities offered by CES are unsuitable to the special needs of a student. There will be no refund of fees and the costs incurred in returning home will be at the student/parents expense and not CES.

**Insurance** Students are not insured by the School, or by the host family, against illness, theft or loss of personal effects. Therefore the school accepts no responsibility in the event of such occurrence. Personal insurance cover is highly recommended.

Insurance should cover the loss of personal possessions such as laptops, cameras, and mobile phones as well as the loss of tuition fees if a student decides to cancel their course or return home early.

CES does not assume any liability for loss, delay or accident of any kind whatsoever which may occur due to the fault or negligence of any company, hotel proprietor, campus, hostel or any other persons carrying out ancillary arrangements.

**Medical Insurance**

All students are advised to take out full medical insurance prior to their arrival which can be purchased through CES. Insurance is provided through third-party company and all claims need to be made by the student (insurance holder) to the insurance company directly. It is the responsibility of the student to activate the policy 2 weeks prior to arrival by contacting the school. CES cannot be held responsible for medical costs incurred if a student does not specifically request medical insurance cover. Citizens of the European Union countries should bring the EHC card with them.

**IRELAND:** Medical Insurance can be arranged at a cost of €120 per annum.

**UK:** Medical insurance can be arranged at a cost of £7 per week.

**CANADA:** Medical Insurance can be arranged at a cost of \$3 per day.

**Adult Classes** At peak times of the year, adult classes can take place at alternative premises other than our main teaching centres.

**Junior Groups (Winter)** Where groups book mid-week to mid-week, it may not be possible to provide classes on the Monday and Tuesday of their last week. Additional tuition will be given in lieu of this during the afternoon period.

**Group Leaders** Group Leaders will be supplied with a Group Leader Handbook, which outlines their duties. It is important that Group Leaders read this handbook carefully. Group Leaders are expected to attend the centre each day and to accompany their group on all social and cultural excursions and activities. Accommodation will be full-board in Dublin, Worthing, Leeds and Toronto and half board in Wimbledon and Oxford. In the peak month of July it may not be possible to provide single room accommodation for Group Leaders. It is not feasible for a Group Leader with a group at a Junior suburban centre to attend an Adult/Teachers Course at the city centre Adult School. We advise all Group Leaders to bring a mobile phone with them and to give this number to the centre principal in case of emergency.

For each group leader, Centre of English Studies must receive prior to arrival, a declaration of suitability to work with children from the agent or group organiser. Centre of English Studies will also forward all medical and consent to travel forms in advance of arrival for completion by parents/guardians.

**Phone Calls** Students can only make emergency phone calls from the host family telephone under supervision. Agents will be responsible for recouping costs of calls made without permission.

**Text Books (Adults)** Textbooks are not included in our fee and cost approximately €35 (Ireland) / £35 (UK) / \$10 per week (Canada). Agents who wish to include the book must advise CES so that the cost of the book will be added to each invoice. Book rental may be organised for groups only - deposit must be paid at school.

**Accommodation** It is important that Agents make special requests (i.e. no pets, vegetarian, etc.) on their initial booking. It is too late to make these requests after students have been placed. Where a number of special requests are made for one student, CES reserve the right to fulfil what we feel to be the most important request. Agents should advise CES of any special dietary needs, such as lactose intolerance, gluten intolerance, coeliac or vegan. There will be an extra charge for students requesting a special diet of €30 (Ireland) / GBPE20 (UK) / \$40 CAD p/w.

**Smoking** Smoking is not permitted in any public buildings in Ireland, England or Canada (schools, residences, etc.). It is not acceptable to smoke in a host family home.

**Public Holidays** CES will be closed on the following Public Holidays:

**IRELAND** - Please note that the school will be closed on the following dates:

Where a visa has been refused, CES will refund fees to the Agent on receipt of evidence of the visa refusal plus the refusal number. **Refunds will be made only to:**

- (a) The original payer and
- (b) The account from which payment was originally received to ensure compliance with international laws for the prevention of financial offences.

**Expulsion** No refund. Students who are expelled will be sent home immediately at their own expense.

**Force Majeure** CES will not be responsible for any failure to comply with any of its obligations (and therefore shall not be required to provide any compensation) if the failure is occasioned by any cause beyond CES’s reasonable control. Nor shall CES be responsible for any costs incurred by or on behalf of the students as a result of any such cause. Such causes shall include, but shall not be limited to, act of government, war, threat of war, riot, civil strife, industrial dispute, terrorist activity, natural or nuclear disaster, unusually adverse weather conditions and infectious diseases.

Should any CES school be forced to close again due to another Covid-19 lockdown or any other natural disaster / pandemic:

Classes will immediately return to virtual online with full scheduled hours available. CES now has in place the capabilities to revert to on line within a few hours.

One week of online equals one week of face to face course.

Credit notes will be given to the agent for students who chose to return home (credit will be in one week blocks for tuition and accommodation).

The student or agent can use this credit at another time within a 12 month period.

The agent can opt to refund the student directly (CES will only be issuing credit notes)

If third party accommodation has been booked CES must adhere to **their** terms and conditions.

If CES accommodation has been booked and the student returns home we will refund unused accommodation monies in one week blocks.
