Supporting our Students Through COVID-19

As we reopened our schools in 2021, our biggest priority was to ensure our students had a safe learning environment. Our academic and welfare teams have been working very hard to keep our students safe in these fast-changing times. We are continuously taking all necessary precautions across our centres to act in accordance with public health advice regarding coronavirus.

We know that Covid-19 has created a lot of uncertainty surrounding travel, so throughout the pandemic, we offered our students special offers. These included:

- [Welcome Week: Quarantine intensive English & activities for Amber Students](#)
- [St Giles Flexible Booking Guarantee](#)

Please get in touch with us if you have any questions regarding our current Covid-19 measures.

Course start-dates

are available throughout the year

Entry requirements

- No previous teaching experience or knowledge is required but you should have a university degree or a standard of education equivalent to that which is required for entry to university
- Your English language level must be at least C1 and preferably C2.

Course objectives

The CELTA course is a structured and practical introduction to teaching: it will equip you with the professional knowledge, practical skills, and confidence you need to start your teaching career. The course will show prospective employers that you:

- understand the principles of effective teaching, how people learn and the roles of teacher and learner
- understand how to analyse language for the purpose of teaching
- have demonstrated the ability to put your new knowledge and skills into practice in a real-life teaching context

The assessment process

Component One - Teaching Practice

You will be expected to teach for a total of six hours, working with classes at two different levels of ability. Assessment is continuous and is based on your overall performance during the six hours.

Component Two - Written Assignments

You will be asked to complete four written assignments: one focusing on adult learning, one on the language system of English, one on language skills and one on classroom teaching.

The Cambridge CELTA is awarded to candidates who meet the course requirements and whose performance meets or exceeds the criteria for both components of assessment. Your progress will be monitored by your tutors throughout the course.

Doing a CELTA course was one of the most rewarding experiences of my life...it changed my way of teaching and gave me a lot of confidence'
